**ACCOUNTANCY
& FINANCE**
COMMERCE & INDUSTRY

Why us?

We're not generalists, we're specialists. We know the finance market inside and out, allowing us to cut through the white noise.

In partnering with our Accountancy & Finance specialists, you will leverage a meticulously cultivated network spanning two decades, led by consultants boasting over **60 years** of collective market expertise.

Gain the crucial advantage of unlocking the hidden market, offering clients access to top-tier 'passive' talent not actively perusing online job ads.

As a division of seasoned experts who have evolved alongside the industry, we provide dedicated advocates with years of investment in understanding your needs and guaranteeing unmatched effectiveness for your business

Specialisms

JUNIOR FINANCE

Finding the right junior finance professional for your business can pose challenges in a candidate driven market, which is why you cannot afford not to utilise one of the most experienced teams of recruiters in the market.

PART QUALIFIED FINANCE

Part qualified accountants are sought after and can be those 'hidden gems'. We have a vast network of candidates from part qualified to finalists. This doesn't come from scouring job boards, these relationships have been nurtured from the beginning of their careers.

SENIOR FINANCE

Led by Managing Director, David Waddell, we have an extensive network from over 25 years of nurtured relationships, meaning you'll be in safe hands in your search for Senior Finance professionals.

TEMPORARY & INTERIM

Our flexible temporary solutions prove invaluable in various business situations, addressing long-term absenteeism, system implementations, heavy workloads, internal secondments, or urgent manpower needs during critical moments.

Testimonial

“ I said to David at the time of securing our FC, never has it given me this much pleasure to hand over a commission to a recruitment agency. It has been worth every penny. This was by far the best recruitment process I have experienced and David simply knows his stuff better than any other recruiter I have met. ”
