Why Harvey John?

We're not generalists – we're specialists. With over two decades in the finance market and **60+** years of collective expertise, we've built a network that cuts through the noise.

Partnering with our Accountancy & Finance team means unlocking the hidden market—accessing top-tier candidates who aren't actively job hunting.

As seasoned experts who've evolved with the industry, we're dedicated advocates, deeply invested in understanding your needs and delivering unmatched results for your business.

Our insights keep you ahead of market trends, ensuring you make informed decisions. You can trust us to provide a recruitment experience that's both seamless and impactful.

Areas we cover

- ▶ Junior Finance
- ▶ Senior Finance
- ▶ Part-qualified
- ▶ Temporary & Interim
- ▶ Public Practice

Our Success

93%

Our success rate on exclusive searches is top-tier. Going exclusive means you get a dedicated focus & quicker results.

77%

Once a business lets HJ in, they stick with us. That's why we consistently maintain a 70+% repeat business rate.

100%

Our success rate on retained searches? It's 100%. With a retained approach, you're our top priority.

1

One smooth recruitment process crafted over two decades of experience delivering an honest and transparent service to all parties.

Testimonials

I said at the time of securing our FC, never has it given me this much pleasure to hand over a commission to a recruitment agency. It has been worth every penny. This was by far the best recruitment process I have experienced.

SWIMTREK

The HJ team understand our business, our clients and our needs. This allows us to focus on integrating new hires into the team rather than spending excessive time searching for the right fit.
